DECISION AND ORDER REGARDING MOTION FOR PARTIAL SUMMARY JUDGMENT

The plaintiff's unopposed motion for summary judgment sets forth undisputed facts upon which summary judgment is appropriate for the reasons stated in the memorandum in support of the motion. Although cast as a motion for partial summary judgment--because the motion only addressed the preference claim--the granting of the motion ends the adversary proceeding because the

plaintiff's other claims were asserted in the alternative. It is thus

ORDERED that the motion for partial summary judgment is GRANTED. It is further

ORDERED that a separate judgment shall be entered granting the relief sought by the motion and concluding this adversary proceeding.
