

**MEMORANDUM DECISION AND ORDER** The debtor filed a Schedule C. in which he claimed as fully exempt the following property: "Contingent and Non-Contingent Interests in the Estate of a Decedent: Personal Injury Case/Work Comp" pursuant to DC Code Ann. Section 32-1517. The trustee has objected to the debtor's claimed exemption as "inapplicable." The debtor has failed to file a response contending that, as a factual matter, the claim comes within section 32-1517 as a claim against an employer for worker's compensation as opposed to a claim against a third party for personal injury damages. The objection to claim will thus be sustained. To the extent that the trustee is alternatively contending that the claimed exemption is inapplicable on some other ground, that issue is not reached by this decision. The order below is signed. Dated: October 14, 2008.
