MEMORANDUM DECISION AND ORDER GRANTING
DEBTOR'S REQUEST TO WAIVE FILING FEE

The debtor has filed with the court a letter requesting reconsideration of the court's February 11, 2011, Order denying the debtor's application to waive the filing fee (Dkt. No. 35). I denied the application because the debtor's monthly income exceeded the threshold required for waiver. Thereafter, the debtor filed his schedules which disclosed income of \$1,330.33 per month in unemployment assistance payments (Dkt. No. 25), an amount below the threshold required for waiver. Moreover, the debtor's June 8, 2011, letter further indicates that the debtor has received no public assistance since April 29, 2011, and that only \$254 remains in his bank account, an amount insufficient to cover his rent for July and other expenses. The trustee has entered a report of no distribution, the debtor has completed his

post-petition course concerning financial management, and the unpaid filing fee is the only thing preventing the debtor from receiving his discharge.

The debtor's initial application having erroneously stated his income as exceeding the poverty guidelines' threshold required for waiver, the debtor's schedules now reflecting that his income is below this amount, the debtor having received no unemployment assistance since April 29, 2011, the debtor's June 8, 2011, letter reflecting that his expenses exceed his income, and no party in interest having filed in opposition to the debtor's letter, it is

ORDERED that the debtor's request to waive the filing fee (Dkt. No. 35) is GRANTED.
